What is FRC?

FIRST® Robotics Competition

FIRST Robotics Competition is a global community of high school students competing in yearly competitions to provide hands-on experience in robotics, design, innovation, business and engineering. More information on FIRST Robotics can be found at: www.firstroboticscanada.org

Who are we?

Our team is a Canadian team of dedicated high school students who participate in the FIRST Robotics Competition every year, fostering STEM learning within our community

Who are we?

**First Robotics Canada Ontario
District Championship Qualifier**

**Highest Ranking FRC Team in
Markham in 2024**

**2024 Durham College Rookie All-
Star Award Winner**

Our Mission

9569 Silver Knights has **one simple mission**:

To provide students of all subject areas with a space to collaborate, and explore the world of First Robotics, a program that involves business, engineering, and art.

Our inclusive hands-on learning experiences are designed to ignite curiosity, inspire creativity, and foster a love for robotics and teamwork in all students. Join us as we strive to empower the next generation of innovators and problem solvers.

Why 9569?

By sponsoring 9569 Silver Knights, you help open the gateway for aspiring innovators and engineers to build the best robot possible. FIRST Robotics is expensive, and every dollar donated counts towards making our goal possible. Without the help of all our amazing sponsors, our team would not be able to continue ahead on our journey.
